STUDENTS ON MISSION

This is just one quote among many that we have heard recently as students are beginning to experience true discipleship. The recipe is simple: groups of three; reading, discovering, and applying the Bible together, being honest and vulnerable about sin struggle; actually confessing their sin to each other, and actively living out mission minded prayer and evangelism side by side.

These discipleship groups (called DNA groups) are helping our movement become centered on the vision of helping others embrace the gospel of Jesus personally, experience life-changing community, and engage the campus and world with boldness and humility.

Would you pray with us to that end?

Saturday night outreach on the campus of UCF! Cru students introduce the gospel through a picture survey that leads to great conversations about view of God, self, and the purpose of life.

A Spiritual Battle

The evil one has sought a foothold within the Cru movement at UCF and we are in desperate need of prayer.

As a staff team we have been reflecting on and praying Ephesians 4:1-4 over the students. Please join us in praying that they (and we as a staff team) would “walk in a manner worthy of the calling for which we’ve been called, with all humility and gentleness, with patience, bearing with one another in love, eager to maintain the unity of the Spirit in the bond of peace.”
