

THE REDDY CRU

BUILDING A LIFE-CHANGING COMMUNITY OF STUDENTS PASSIONATE ABOUT CONNECTING PEOPLE TO JESUS

HERE THEY COME, WALKING DOWN THE STREET...

I'm not a big fan of the band the Monkeys, but that song describes welcome week at the University of Central Florida perfectly. Thousands of freshmen and new students walking around campus looking to get plugged in.

Jackson was one of the 500+ students who attended our first large group weekly meeting of the year, which we call one80. He heard about Cru when he visited our tent during welcome week (pictured to the right). I was able to share the gospel that night using my personal testimony of God's relentless grace in my life. At our post-one80 pancake party Jackson approached me with a huge smile on his face. He told me that his story was almost identical to mine and that he was desperately seeking to make Jesus the center of his life. Concerned that the typical college experience would drag him down he was overjoyed to find a community of students passionate about Jesus where he can grow in his relationship with God.

Hundreds of students just like Jackson are searching for a life-changing community to pursue Christ with, and thanks to you we can provide it for them.

Our tent and table at welcome week was a real crowd attraction. From "what would you do for a klondike bar", to free water bottles and popsicles handed out by the Reddy kids, it was a one stop shop for getting plugged into Cru.

Prayer Request:

- * The gospel was presented to over 500 students at our one80 weekly meeting. Pray that Jackson and others would come to know and worship Jesus.
- * Pray as we follow up with students interested in hearing more about Cru. Ask the Lord to lead us to the ones that He is preparing to hear and respond to the gospel.
- * Pray for patience and trust as we continue to wait for our house to sell in Illinois.

The kids helped pass out water bottles to students who were checking out our Cru tent.

We connected with hundreds of students during our welcome week events. Now to follow up with them and share the good news!

Thank you for your partnership in the gospel,

Jeremy and Heather
