

THE REDDY CRU

A LIFE CHANGING COMMUNITY OF STUDENTS PASSIONATE ABOUT CONNECTING PEOPLE TO JESUS

“Are you a Christian? Why?”

Jeremy and Heather * 765/208/5553 * www.ministryupdates.org/reddy

This simple question can baffle many professing Christians. Especially when you really press in on the **why**. “How do you know Jesus really lived, died, and rose again?” “Is there any credible evidence for his existence?” “How do you know the Bible is true?” These, and many more questions, were answered earlier this month at the **Jesus: Fact or Fiction** event. Cru at UCF hosted this event, along with a local church and a community businessman. This outreach fell into our lap when Rob Williams emailed me looking for someone to help him find a venue for Josh McDowell to come and speak in east Orlando. Together we prayed for 500 people from the UCF campus and community. The final count was nearly 1200! That night saw many Christians come to know that they know Jesus is real, and a few who could say,

“I believe now, thank you.”

Jesus: Fact or Fiction

A successful partnership event between Cru, a local church, and a local businessman resulted in this incredible outreach.

This note was slipped to one of the pastors at the church we partnered with for the event.

Prayer Corner

Jesus: Fact or Fiction? Pray that believers would be strengthened and unbelievers would be challenged to think about Jesus again.

Our summer assignment in Fort Collins, CO: Pray for travel and servants hearts as we'll be helping lead the staff training conference.

Cru at UCF student leaders: Pray that over the summer they would walk closely with Jesus.
